

Directions to the office of Paul J. Scoglio at the Cummings Center

181 Elliott Street (Route 62), Beverly, MA

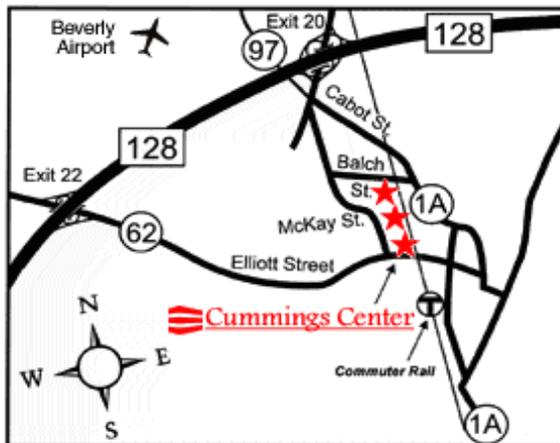

978-921-8400

The Cummings Center is approximately one mile from **Route 128**, via **Routes 62** or **1-A**.

1. From Route 128 heading North you will Take **Exit 22E for Route 62** and head into Beverly. At the fork in the road you will go left, staying on Route 62 and you will soon notice the entrance for the Cummings Center on the left. Get in the left lane to enter the Cummings Center. See item **3**.

2. From Route 128 heading South (from Gloucester, Rockport, Manchester) take **Exit 20A for Route 1-A**. Turn right off the ramp and proceed one tenth of a mile. Go straight through the intersection. Make sure the gas station is on your left (Henry's Market is on the right) as you go through the intersection. Follow this street until you come to the stoplight at Route 62. Take a left. Stay in the left lane and enter the Cummings Center at the intersection. See item **3**.

3. My office is located in the 900 Building (Acapulcos Restaurant is in this building.). As you drive in the main entrance you will notice a smaller building to the left of the main building (the 100 Building). Turn left and find your way into the garage (which is to the left of the 900 Building) or park outside the garage. There is an entry door on the side of the building. Go in and turn right and you will find the elevator. Take the elevator to the 4th floor. Turn left out of the elevator and walk down the hall to the waiting room for Suite 417U, on the left. See item 5 below.

4. From Newburyport, take either Route I-95 or Route 1 south to Route 97. Then go left or East on Route 97 until you arrive in North Beverly at the intersection with Route 1-A. Take a right in this intersection. This takes you around the front of Henry's Market. Follow this street until you get to Route 62. Go left on Route 62 and then immediately left again into the Cummings Center parking lot. See item **3**.

5. This is the 900 Building. It was once the Foundry at USMC. When you arrive you will notice the Acapulcos Restaurant on the ground floor. You can go straight through the restaurant to get to the elevator or go around the building to the side doors (left side or right side) to get to the elevator. Go to the 4th floor. Turn left leaving the elevator and walk down to Suite 417U.
